Sarah-

Have you contacted the Clerk to correct the naming of your documents and the order of the exhibits? The exhibits are so out of order I cannot decipher what went wrong to try and correct it for my purposes. I expected the Clerk would automatically correct the docket today, but I did not see anything.

It is impossible for me to start a reply given that your exhibits don't match the ECF docket number, coupled with the way you filed everything.

Can you see if the Court plans to correct the docket or will you send me an exhibit index? Thanks

Cody,

I discovered the problem late this morning and will reach out to the clerk in the morning. Should have everything corrected in the morning. Will agree to an extension. Regret you have been inconvenienced.

Sarah

Thank you. I'm not passing blame, it's just too difficult to correct without an exhibit index if you have one available.  
 Thanks

Cody,  
 I'm not offended at all. I should have it straightened out tomorrow.
